**URGENT: RECALL NOTICE**

**PreveNile®  
West Nile Virus Vaccine**

April 27, 2010

Dear Doctor:

This is to inform you that Intervet Canada Corp. is conducting a voluntary recall of all serials, and all dose presentations of PreveNile® West Nile Virus Vaccine in Canada. This recall is being conducted because Intervet Canada Corp. has been informed of an increased incidence of adverse events (acute anaphylaxis) in the United States related to currently marketed serials. We have notified the Canadian Food Inspection Agency, Canadian Centre for Veterinary Biologics, of this recall action.

The recall is for all serials of product. The serial numbers are:

**PreveNile 10 x 1 mL**

91660002  
91669015

**PreveNile 2 x 5 mL**

91660003  
91669004

**Please check your inventory immediately to identify whether or not you have any PreveNile vaccine.** If you have any PreveNile product, notify the distributor from where you purchased the product for the correct return procedure.

If you have purchased the PreveNile product direct from us, please contact our Customer Service Department at 1-866-683-7838. We will provide instructions for returning the product.

**You must also complete the attached form, FAX to 1-888-428-7400, and enclose it with your return shipment to assist us in expediting credit. In the event you have none of the recalled product, please complete the attached form and return via FAX to 1-888-428-7400.**

Intervet Canada Corp., as a responsible manufacturer of veterinary products, is committed to supplying you with quality products, and we sincerely regret any inconvenience that this recall may cause. The health and well-being of horses is something we take very seriously.

For more information, please call our Customer Service Department at 1-866-683-7838.

Sincerely,

**Louis Blais**  
**Director, Companion Animal Business Unit**
